

## KEYS TO SPIRITUAL GROWTH - PART 2

1. God wants us to \_\_\_\_\_ and make progress in our Christian lives.

**Ephesians 4:15-16 (ESV)** *Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, <sup>16</sup> from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love.*

All of us should be continually growing as believers, if we stop growing we will start backsliding; if we stop advancing, we will start retreating.

2. It is God himself who \_\_\_\_\_ the growth.

### **Colossians 2:18-19**

**1 Corinthians 3:6-7 (ESV)** *I planted, Apollos watered, but God gave the growth. <sup>7</sup> So neither he who plants nor he who waters is anything, but only God who gives the growth.*

3. We must \_\_\_\_\_ the desire to grow.

**1 Peter 2:2 (ESV)** *Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation*

**2 Thessalonians 1:3 (ESV)** *We ought always to give thanks to God for you, brothers, as is right, because your faith is growing abundantly, and the love of every one of you for one another is increasing.*

One of the main reasons Christians do not grow is because they do not see the need for Growing. When people develop a burning hunger and thirst to work for the Lord, then they will develop the other steps they need to grow.

4. Spiritual growth is a \_\_\_\_\_ process.

God works in each person differently. Some people grow rapidly, while others grow slowly but steadily. Our focus should not be on comparing ourselves with others, but on comparing ourselves with God's word.

- Minister to others
